at it would not be surprising if speculation aused it to rise again to four per cent, especially f specie shipments to Europe continue at their resent rate. The bank suspension will protect heir reserve, and the shippers will have to buy alt he gold they want in open market.

The stock market was dull to-day, without

auch change in prices. United States 6's, coupons, jumped up this morning to 94, but were offered afterwards, without buyers, at 93%. Every fresh advance brings out some bonds from the banks for sale, and the rise from 86 to 93%, in the face of this steady supply, shows how much capital there is in the country seeking investment, and how perfect the confidence is in the securities of the government. Virginias declined 2 per cent to-day Cennessees 1/2, and Missouris 1/4. The leading railway shares were about the same as on Saturday evening; but the Western shares, those of the Michigan roads. Galena and Toledo, were 1/4 a 1/4 lower. There are indications that a bear party is being formed to operate in these securities, especially Toledo, Galena and Rock Island. The earnings of the roads continue handsome. The market closed dull, the following being the last quotations:-United States 6's, registered, 1881, 93% a 34; do. 6's, coupon, 1881, 93% a 34; do. 5's, coupon, 1874, 86½ a 87½; ladiana 5's, 78½ a —; Virginia 6's, 59 a 61½; Tennessec 6's, 60¾ a ⅙; North Carolina 6's, 70 a 71½; Missouri 6's, 53½ a ⅙; Pacific Mail, 95½ a ½; New York Central, 83½ a ½; Erie, 36½ a ½; do. preferred, 62½ a ½; Hudson River, 35¾ a 36; Harlem, 121/2 a 13; do. preferred, 31 a 32; Reading, 421/2 a 43; Michigan Central, 57 a 1/4; Michigan Southern and Northern Indiana, 24 a 1/4; do. guaranteed, 47% a 48; Panama, 121 a ½; Illinois Central, 65½ a ½; Galena and Chicago, 69½ a 70; Cleveland and Toledo, 46% a ½; Chicago and Rock Island, 57 a ¾; Chicago, Burlington and Quincy, 63¼ a 64; Milwaukee and Prairie du Chien, 24¾ a 25; Cleveland, Columbus and Cincinnati, 111 a 1/4; New York Central 7's, 1876, 102 a 103; Erie third mortgage bonds, 92 a 931/4; gold, 1013/4 a 1/4.

After the second board the market was rather more active; % was bid for Central, and there was rather more disposition to buy stocks.

The business at the Sub-Treasury to-day was as

The exchanges at the Bank Clearing House this morning were \$23,931,797 56, and the balance \$1,668,071 13.

The Comptroller of the State of New York gives notice that the interest on the State debt, due the 1st of April next, will be paid in coin. The Milwaukee Sentinel of Thursday says

Money matters remain very quiet. The tendency of the market yesterday was toward more scarcity of cur rency, while exchange was tolerably easy, and in trans-actions among bankers is a 1 lower. There is very little demand for gold, and the rates are but little more than

The Chicago Tribune of Friday thus notices the

The Chicago Tribune of Friday that exchange market of that city:—

New York exchange is still close. The bankers are glad to take all that offers at per, and probably some houses have been glad to add an ½ in order to meet the wants of customers. The selling price is ½ per cent premium to customers and ½ a ½ to outsiders. Gold is dull and prices less firm. The brokers have generally paid its oremium, but any considerable parcels would scarce. premium, but any considerable parcels would scarce have been taken above 1½. The selling price is two cent premium, though we presume concessions of at at 1½ would have been made on round lots.

There was a light demand for loans, which was freely met, good paper being in request at 10 per cent. There was a good demand for 7:8-10 Treasury notes at par. The amount offering is small. The market for exchange is firm at par buying and 3/2 premium selling. Gold inactive at 1 premium buying and 2 premium selling. We

US GUNBOAK KERSINGTON, at Port Royal from Beston, was at sea upwards of Il days, and there was a gale every night except one. The first night out was terrible. The firement were nearly all sick, and the writer was lashed to the boilers all night to keep the free going. The cale continued furiousally for 2 days and nights, the K losing 2 boats, nearly all her sails, and her rail fore and aft. Sea after sea was shipped, and all the pumps gare out but a small hand pump. Once she was within 50 miles of Port Royal, but was blown of 300 miles with only 3 days coul on board. When Port Royal was reached she had 4 tous of coal left. The K, it will be remembered, bad the Vermont in tow, but the writer of the letter does not mention ber at all.

WARMINGTON, March 11, 1982.

MARMINGTON, March 11, 1982.

Information has been received at this department from MrJohn de la Montagnie, the Conzul of the United States at
Nartes, that a leigraphic line was laid in Movember, 1880,
between Beile line and the ma'n land, and consequently connecting with all Rurope.

Recently a signal pole has been erected upon an elevated
point upon Beile laie, affording racilities for communicating
with ressels approaching the coast. point upon Belle Isie, affording facilities for communicating with vessets approaching the coast.

This pole is placed on high ground, on the left side of the entrance of the port of Falais (Belle Isle), opposite to the fort. The signal pole is provided with both the Marryatt and Reynold series of signals.

This information is published by request of the President of the Chamber of Commerce of Nantes.
